

MAKE BETTER CONNECTIONS WITH IVANS.

# Connect With Us

**New Mexico Mutual has partnered with IVANS® Insurance Solutions, the well-known exchange that securely transmits client documents from insurers to agents. Now you can receive the e-docs and transactions you need more efficiently than before.**

**Save paper.**

Download electronic policy documents and transactions directly from your agency management system.

**Reduce E&O exposure.**

IVANS' secure data processing safeguards the exchange of information.

**Improve client service.**

Accessing policy-related documents from a single location makes you more efficient.

**Gain time for what matters.**

Like client relations. Agent development. And closing the sale.

**Already connected to IVANS?**

You'll just need to configure your agency management system to receive our downloads. Contact us at 505.343.2849 once you're ready to start.
