

UNDERWRITING PROGRAM

New Mexico Mutual is committed to service excellence. That commitment includes our new EZ Quote Underwriting Program, which uses industry specific reference forms to streamline our underwriting process.

Our EZ Quote Underwriting Program allows agents and clients to know exactly what underwriting information is needed prior to submitting an account. The EZ Quote Underwriting Program is designed to more efficiently obtain underwriting information and allow for New Mexico Mutual's best pricing options.

Benefits of using the EZ Quote Underwriting Program:

- Faster Quote Turnaround
- Reduced Quote Transactions
- Consistent Underwriting Questions by Industry
- Detailed Underwriting Reference Lists by Industry

Our EZ Quote Underwriting Forms are industry specific and simple to complete. The forms are in fillable PDF format and accessible through New Mexico Mutual's CompQuick system. Completed forms can be emailed to your underwriter or uploaded through CompQuick along with Basic Underwriting Information.

Our current library of EZ Quote Underwriting Forms include:

- Auto Sales & Service
- Construction
- Healthcare
- Manufacturing
- Oil/Gas
- Social Service
- Transportation

Basic Underwriting Information also required for submissions:

- Three to Five Year Loss Runs Valued within the Last 90 Days
- Associated Premium Amounts
- Current Experience Rating Worksheet

The EZ Quote Underwriting Forms are not required to receive a New Mexico Mutual quote, but can improve your underwriting service experience.

**For questions, please contact your assigned New Mexico Mutual underwriter.
To access the library EZ Quote Underwriting forms, please log onto Comp Quick.**

Software Requirements

The EZ Quote Underwriting Forms can be accessed using several Adobe versions. However, to save completed versions of the form, Adobe XI is required. Web browser requirements include Internet Explorer 7 and up, Firefox, or Chrome.
