## **Brewery Business? Bring it to New Mexico's Experts**

Trust your clients to New Mexico's market leader for workers' compensation insurance. New Mexico Mutual knows breweries. We offer various safety trainings and services – and we'll help your clients get their safety programs going. If an accident happens, our claims adjusters are experienced at managing various types of claims unique to the Brewery Industry.

### **Get A Quote from Your Underwriter**

New Mexico Mutual is experienced at underwriting brewery operations and related businesses. Our underwriters will work with you to find the best rate for your client – here's how!

- Knowledgeable and Experienced Underwriters
- Broad Coverage Options
- Competitive Underwriting Companies
- Out of State Coverage Program

### **Qualifying Restaurant Class Codes**

9082 Restaurant (NOC) with alcohol sales <50%

9083 Restaurant-Fast Food

9084 Bar (upon underwriting approval)

2121 Brewery

2130 Spirituous Liquor Distillery

2143 Winery

**For Governing Class Codes 9082 and 9083 to qualify for New Mexico Commercial Insurance Company (CI) they must meet all of the following criteria:**

- Sales of alcoholic beverages are <50% of total revenue
- 3 year loss ratio <45%
- No leased employees
- No lapse in coverage during the past year

### **Helping Your Clients Maintain Safe Workplaces**

New Mexico Mutual offers on-site risk assessments, live safety classes, and online videos to help your clients prevent common industry accidents – all free to our policyholders.

Ask our Risk and Safety Consultants about our safety education resources:

- Hazardous Communication (Haz Com)
- Bloodborne and Airborne Pathogens Training
- Safe Lifting
- Slips, Trips and Falls Prevention
- Food Preparation
- Ergonomics
- Emergency Planning
- Defensive Driving Course

To promote safety on the road, we offer discounts on leading driver monitoring systems – including SambaSafety® and StriveSafe by Cartasite®.
